

Building Science Conference and Expo

Day 1: Tuesday, March 19

Date/Time	CEU	TRACK 1: Energy 101	TRACK 2: New Construction	TRACK 3: Existing Construction	TRACK 4: Technology	TRACK 5: Commercial	TRACK 6: Programs	TRACK 7: Resources
6am		Registration & Trade Show Open			Registration & Trade Show Open			
Breakfast 8-9:30am	0	Keynote Breakfast			Keynote Breakfast			
		Networking in Trade Show Area			Networking in Trade Show Area			
9:45-10:45am	1	Basic Fundamentals	Total Design	Total Design	Building Structures for Resiliency	Commercial Electrification Technologies Overview	Electric Vehicles (BPI value add session)	New and Innovative Low-Mod Utility Programs
		Networking in Trade Show Area			Networking in Trade Show Area			
11-12pm	1	Heat Flow & Control	Envelope Considerations (insulation, air barrier, air sealing)	Envelope Considerations (insulation, air barrier, air sealing)	Smart Home Devices	Commercial SEM/50001 Ready	Building Demand - Effective Marketing and Consumer Education is Starter Fuel	Low Mod Funding Opportunities
		Networking in Trade Show Area			Networking in Trade Show Area			
Lunch 12:15-1:45pm	1	Keynote Lunch			Keynote Lunch			
		Networking in Trade Show Area			Networking in Trade Show Area			
2-3pm	1	Air Flow & Control	Mechanical System Considerations	Mechanical System Considerations	Lighting Design	Commercial DFHP	Reduce Programmatic \$h!+ for Better Results	Single Family - Habitat for Humanity and FAHE Best Practices and Innovation
		Networking in Trade Show Area			Networking in Trade Show Area			
3:15-4:45pm	1.5	Heat & Cooling Systems	Moisture & Ventilation	Moisture & Ventilation	Innovative Tracking Tools for Weatherization and other Programs	Electrification for Sustainability	Louisville Metro Housing Authority Project	Leveraging Resources and Partnerships
4:45-6pm		Reception / Networking in the Trade Show Area			Reception / Networking in the Trade Show Area			
End Day 1								

Day 2: Wednesday, March 20

Date/Time	CEU	TRACK 1: Energy 101	TRACK 2: New Construction	TRACK 3: Existing Construction	TRACK 4: Technology	TRACK 5: Commercial	TRACK 6: Programs	TRACK 7: Resources
Breakfast 7-8:15am		Continental with Vendors - Available until 10:30am			Continental with Vendors - Available until 10:30am			
8:30-10am	1.5	Moisture Management	Multifamily	Crawl Spaces	Multi-Family - Innovation from the Field	Building Re-tuning with Building Automation Systems	Solar PV Fundamentals - It needs to be in your toolkit.	Understanding the New Online Advertising Landscape
		Networking in Trade Show Area			Networking in Trade Show Area			
10:30-11:30am	1	Health & Safety	Planning for Future Technologies	Multifamily	Indoor Air Quality	Workforce Development	HVAC2HP or HP2HVAC	Demystifying SEO for Contractors
Conference Ends								
Noon - 3pm		Value Added FREE Bonus Education Session – Includes Lunch Hosted by The Kentucky Energy and Environment Cabinet
