

Building Science Conference and Expo

Day 1: Tuesday, March 19

Date/Time	CEU	TRACK 1: Energy 101	TRACK 2: New Construction	TRACK 3: Existing Construction
6am		Registration & Trade Show Open		
Breakfast 8-9:30am	1 RESNET ONLY	Keynote: National Updates - Ryan Meres, RESNET & Larry Zarker, BPI		
Networking in Trade Show Area				
9:45-10:45am	1	Energy 101: Basic Fundamentals Robert Fehr, PhD	Electrify Everything: The Next Generation of Residential Construction – Jamie Clark	Existing Construction: The House is a System – John Tooley
Networking in Trade Show Area				
11-12pm	1	Energy 101: Heat Flow and Control Robert Fehr, PhD	New Construction: Envelope & Air Sealing Considerations Steve Easley	Existing Construction: Moisture Diagnostics – An Essential Skill – John Tooley
Networking in Trade Show Area				
Lunch 12:15-1:45pm	1	Keynote Lunch: From Aha to Tada! - Steve Haffner		
Networking in Trade Show Area				
2-3pm	1	Energy 101: Air Flow and Control Robert Fehr, PhD	Stepping Into Healthy Home Assessments: What You Need to Know – Larry Zarker / Rick Hall	Existing Construction: Crawl Spaces: The Good, The Bad and The Ugly – John Tooley
Networking in Trade Show Area				
3:15-4:45pm	1.5	Energy 101: Moisture Flow and Control – Robert Fehr, PhD	New Construction: Moisture Management and New Rain Screen Solutions – Steve Easley	Existing Construction: Bugs, Mold and Rot John Tooley
4:45-6pm		Reception / Networking in the Trade Show Area		

Date/Time	CEU	TRACK 4: Technology	TRACK 5: Commercial	TRACK 6: Programs
6am		Registration & Trade Show Open		
Breakfast 8-9:30am	1 RESNET ONLY	Keynote: National Updates - Ryan Meres, RESNET & Larry Zarker, BPI		
Networking in Trade Show Area				
9:45-10:45am	1	The Coming Mold Explosion Nate Adams	Commercial Electrification Opportunities Overview Cortney McKibben	How Ductless is Changing HVAC Brad Niehaus
Networking in Trade Show Area				
11-12pm	1	Home Performance 2.0 and #ElectrifyEverything - Making High Performance Homes the Norm Nate Adams	Commercial Structures: SEM/50001 Ready – Dr. Ethan Languri / Clay Hoover	Innovative Tracking Tools for Weatherization and Other Programs – Frank Rapley / Sukant Jain / Blake Worthington
Networking in Trade Show Area				
Lunch 12:15-1:45pm	1	Keynote Lunch: From Aha to Tada! - Steve Haffner		
Networking in Trade Show Area				
2-3pm	1	How TVA is working to broaden Energy Efficiency to Low Income Residents – Frank Rapley	Commercial Structures: Dual Fuel Heat Pumps – Jason Snyder	Reduce Post-Programmatic Stress Disorder for Better Results Chandler Von Schrader
Networking in Trade Show Area				
3:15-4:45pm	1.5	Chasing Zero: A Clear Path to Building Net Zero Energy Homes Jamie Clark	Commercial Structures: Electrification for Sustainability Dr. Dodd Galbraith / Ashley Dickens	Low-Mod Funding Opportunities Keli Reynolds / Mary Hernandez / Don Watt
4:45-6pm		Reception / Networking in the Trade Show Area		
End Day 1				

Day 2: Wednesday, March 20

Date/Time	CEU	TRACK 1: Energy 101	TRACK 2: New Construction	TRACK 3: Existing Construction
Breakfast 7-8:15am		Continental with Vendors - Available until 10:30am		
8:30-10am	1.5	Energy 101: Mechanical Systems Robert Fehr, PhD	Contractor Toolbox: Driving Leads with the Latest in Digital Marketing Peter Troast	Workforce Development: Attracting, Developing and Retaining Valuable Employees – John Tooley
Networking in Trade Show Area				
10:30-11:30am	1	Energy 101: Health & Safety Robert Fehr, PhD	Working Together: How Utility Programs and Trade Allies Can Work Together to Maximize Demand and Lead Generation – Peter Troast	Professional Development: Leadership: A Guaranteed Way to Success – John Tooley
Networking in Trade Show Area				
Breakfast 7-8:15am		Continental with Vendors - Available until 10:30am		
8:30-10am	1.5	State Weatherization Assistance Program Perspective – Blake Worthington / Deanna McCord	Commercial Structures: Retuning with Building Automation Systems Tobias Nettie	Single Family - Habitat for Humanity and FAHE Best Practices and Innovation - Heath Duncan / Mary Shearer / Rodney Goodman
Networking in Trade Show Area				
10:30-11:30am	1	HVAC2HP or HP2HVAC Chandler Von Schrader	Workforce Development: Kathryn Chance / Todd Johnson	Multi-Family - Busting the Split-Incentive Myth Elly Bundezahl/Julie Hayes/ Elizabeth Moore
Networking in Trade Show Area				
Noon - 3pm		Value Added FREE Bonus Education Session – Includes Lunch <i>Hosted by The Kentucky Energy and Environment Cabinet</i>		
Conference Ends
